BENEFITS OF CORPORATE MEMBERSHIP

Brand Exposure: Corporate members receive visibility through WAWA's marketing channels, including website and promotional materials. This exposure can increase brand awareness among your target audience.

Business Development: Corporate membership can be a platform for lead generation and business development. It provides opportunities to connect with potential customers and partners who share an interest in waterskiing, wakeboarding and other towed water sports.

Supporting the Industry: Corporate membership fees contribute to the growth and development of waterskiing, wakeboarding and other towed water sports. Through becoming a WAWA corporate member, businesses can demonstrate their commitment to the success and sustainability of the sport.
